Dear Sir / Madam

Re: Hastings District Licensing Committee Annual Report

Please find attached the Hastings District Licensing Committee's annual report for the year ending 30 June 2018.

Should you have any queries regarding the report please contact the Team Leader Environmental Health and Alcohol Licensing, Tony Stothart.

Yours sincerely

John O'Shaughnessy
Group Manager
Planning and Regulatory
Hastings District Council

1.0 OVERVIEW OF HASTINGS DLC WORKLOAD

1.1 DLC'S Structure and personnel

1.1.1 The District Licensing Committee consists of Councillor Tania Kerr (Chair), Councillor George Lyons (Deputy Chair), Mr Wayne Bradshaw, Mr Dave Fellows, Mrs Shelly Witchalls and Mr Norm Speers

1.1.2 The Alcohol Licensing team consists of two part time staff; John Lovatt and Janine Green.

1.1.3 The DLC Secretary is Carolyn Hunt and the Support / Administrator is Sue Fraser.

1.1.4 Contact details for staff are as follows:

Janine Green	06 871 5110 (ext: 5568)	Email: Janineg@hdc.govt.nz
John Lovatt	06 871 5110 (ext: 5384)	Email: Johnl@hdc.govt.nz
Carolyn Hunt	06 871 5110 (ext: 5634)	Email: Carolynh@hdc.govt.nz
Sue Fraser	06 871 5110 (ext: 5311)	Email: Suejf@hdc.govt.nz

1.2 Staff Training undertaken relating to the SSAA 2012.

1.2.1 Janine Green, Alcohol Licensing Inspector and Tony Stothart Team Leader Environmental Health and Alcohol Licensing attended the annual NZ Institute of Liquor Licensing Inspectors conference in September 2017.

1.3 DLC Meetings and hearings

1.3.1 The District Licensing Committee has meetings each fortnight and most meetings are held with the chairman alone. There have been Thirteen District Licensing Committee meetings for Temporary Authority applications by three committee members. There have been two hearings of opposed applications; one off-licence (Westend Foodbarn (Hastings) Ltd trading as Pak N Save) and one managers certificate.

2.0 DLC INITIATIVES

2.1 Online applications

2.1.1 Alcohol licence applications for Special licences, Managers certificates and Temporary Authorities are now done online, with on, off and club licences to follow in the next month.

2.2 Change to Alcohol Licensing Notification process

2.2.1 At the request of the DLC Chair, in addition to a newspaper notification for new and renewal applications, the Alcohol Licensing Notifications are now also advertised on the Council website.

3.0 LOCAL ALCOHOL POLICY (LAP) UPDATE

3.1 Does the TA have a draft or provisional LAP?

3.1.1 There is currently a provisional LAP in place.

3.2 Comments

- 3.2.1 In August 2017, Three appeals were received regarding off licence trading hours from Foodstuffs North Island Ltd, Progressives Enterprises Ltd (now Woolworths New Zealand Ltd) and Super Liquor Holdings Ltd.
- 3.2.2 In May 2018 Napier City Council and Hastings District Council started informal negotiations with the appellants; this is still in progress.
- 3.2.3 On the 28th May 2018 The Hawkes Bay District Health Board became a Section 205 Appellant.

4.0 LEGISLATION COMMENTS

- 4.1.1 The DLC chair would like temporary authorities to be added to the list in section 191(3), to enable those applications to be determined by a quorum of one member who must be the chairperson. The Hastings District Licensing Committee do not see the merit in having a quorum of three for temporary authorities.
- 4.1.2 In April 2018, Napier City Council, put through a remit to LGNZ in relation to the Local Alcohol Policy (LAP) process and specifically in relation to the inadequacy of the Sale and Supply of Alcohol Act 2012 in producing meaningful LAP's. The process is causing issues across New Zealand, including costing Councils large amounts of money and often leading Councils having to abort the process. Hastings District Licencing Committee would like to call on the government to amend the Act.

5.0 ANY OTHER MATTERS

- 5.1.1 There was a total of four Controlled Purchase Operations completed for the Hastings District by The NZ Police, The Inspector and Health department for the year ending 30 June 2018. This comprised of a total of 15 Off licence premises and 17 on-licence premises. There were 2 failures in total.
- 5.1.2 A revised Alcohol Monitoring Strategy has been developed by the Inspector, based on the risk ratings of premises and to increase general monitoring outside of the required inspection regime.

6.0 COMMENTS ON THE WAYS IN WHICH YOU BELIEVE THE SSAA 2012 IS ACHIEVING ITS OBJECT?

- 6.1.1 The Act is achieving its object by providing rules for premises and events to reduce harm. The SSAA 2012 has provisions which the DLC's can use for higher risk premises and events that are appropriate at a local level.
- 6.1.2 Provisions in the Act that allow for the consideration of trading hours provide an opportunity to place restrictions on the sale and supply of alcohol, this in turn assists in reducing harm. Other examples include, the ability DLC's to implement additional discretionary conditions on special licences to ensure the sale, supply and consumption of alcohol is undertaken safely and responsibly; placing limitations on the amount of drinks sold in one transaction; providing for security measures and the requirement for Alcohol Management Plans to name a few.
- 6.1.3 The SSAA 2012 allows for the development of LAP's to further restrict alcohol sale and supply and provides the DLC with more tools to ensure safe and responsible drinking environments, which in turn reduces harm.

6.1.4 The DLC still believes that the SSAA 2012 could be enhanced to work towards these objectives even more by restricting hours further and also changing the LAP process as mentioned in Section 5.1.2 above. The DLC also believes that the process can be improved to ensure there is more local decision making in the licensing process, as they feel the local community are still very detached from the decision making process.
