Note to applicant

You must include all information required by this form. If all information is not included, the consent authority will return this to you and the correct information must be supplied before a written notice permitting your activity can be provided.

To be eligible for a deemed permitted boundary activity, the activity must meet the definition of boundary activity under section 87AAB(1) of the Act.

- An activity is a boundary activity if the activity requires resource consent because of the application of 1 or more boundary rules, but no other district rules, to the activity; and no infringed boundary is a public boundary.

You must provide written approval from all owners of allotments with infringed boundaries under section 87BA(1) of the Act 1991 .

If all the information required under section 87BA(1) of the Act is provided to the consent authority, the consent authority must notify you of your permitted boundary activity within 10 working days after the date on which it receives the information.

You must pay the charge (if any) payable to the consent authority for the deemed permitted boundary activity under the Act.

If signing on behalf of a trust or company, please provide additional written evidence that you have signing authority.

87BA Boundary activities approved by neighbours on infringed boundaries are permitted activities.

- A boundary activity is a permitted activity if—
 - the person proposing to undertake the activity provides to the consent authority—
 - a description of the activity; and
 - a plan (drawn to scale) of the site at which the activity is to occur, showing the height, shape, and location on the site of the proposed activity; and
 - the full name and address of each owner of the site; and
 - the full name and address of each owner of an allotment with an infringed boundary; and
 - each owner of an allotment with an infringed boundary—
 - gives written approval for the activity; and
 - signs the plan referred to in paragraph (a)(ii); and
 - the consent authority notifies the person proposing to undertake the activity that the activity is a permitted activity.
