

SPRAY-FREE FRONTAGE AGREEMENT

I hereby acknowledge receipt of 'NO-SPRAY' signs (at \$25.00 ea. incl gst) to be erected to define the extent of frontage to be kept spray free.

I agree to the terms and conditions upon which the Hastings District Council will refrain from spraying along the frontage so defined namely,

- to purchase and mount a Council-approved sign at each end of the property to clearly define it as a 'Spray free' frontage.
- to purchase and mount intermediate signs along my frontage:
 - 1) where it is not obvious that my frontage is continuous, (eg because of changes in the fence, shelterbelts or crops, etc) intermediate signs will be mounted at the change points;
 - 2) Where the continuity of my frontage is clear and unmistakable, the interval between intermediate signs may be increased up to 250m.
- to take responsibility to keep the roadside drain clear of growth, to the same standard as adjacent Council-managed sections,
- deal with any noxious weeds on the roadside along my frontage;
- keep any roadside furniture such as signposts, markerposts powerpoles, sightboards etc clear of rank growth;

(Note that all other Council maintenance activities such as the routine mowing will continue as usual However, should you fail to maintain the frontage to the requisite standard, Council reserves the right, after appropriate warning, to resume vegetation control spraying.)
