10A Report 2016/2017

**Report on the Administration of
Hastings District Council's
Policy and Practices in Relation to the
Control of Dogs for the year
1 July 2016 to 30 June 2017**

Pursuant to:

(Section 10A of the Dog Control Act 1996)

1 Background

The policy is made under section 10 of the Dog Control Act 1996. Council adopted the “Dog Control” Policy 6 August 2009. The policy underwent a review and public consultation in conjunction with the Dogs Bylaw and was submitted to Council for adoption on 25 August 2016

The purpose of the policy is to provide a framework for the care and control of dogs throughout Hastings District with regard to:

- a) *“the need to minimise danger, distress and nuisance to the community generally; and*
- b) *the need to avoid the inherent danger in allowing dogs to have uncontrolled access to public places that are frequented by children, whether or not the children are accompanied by adults; and*
- c) *the importance of enabling, to the extent that is practicable, the public (including families) to use streets and public amenities without fear of attack or intimidation by dogs; and*
- d) *the exercise and recreational needs of dogs and their owners”*

The anticipated outcomes of the policy are:

1. Minimising the potential for danger, distress and nuisance to the community from dogs;
2. Promoting responsible dog ownership;
3. Promoting effective dog control, particularly in public places where children or families are present;
4. Minimising the risk of intimidation and attacks by dogs;
5. Promoting positive interaction between dog owners and members of the community;
6. Providing for the exercise and recreational needs of dogs and their owners.

Section 10A of the Dog Control Act 1996 requires Territorial Authorities to publically report each financial year on the administration of their dog control policy and practices.

2 Dog Prohibited Areas

Dogs are prohibited from the following areas:

1. Hastings District Council Civic Building
2. Hastings District Council Public Libraries
3. Hastings District Council swimming pools
4. Children's playing areas under the control of Hastings District Council
5. All areas under the control of Hastings District Council set aside for organised games or sports and all other areas zoned as sports parks in the Hastings District
6. Rangaiika Beach at Ocean Beach / Cape Kidnappers.

Prohibited areas are established to prevent conflict with other users, or areas with sensitive ecological value. Very few complaints are received regarding non-compliance as the majority of dog owners are responsible people and comply with the requirements.

Under the review no additional dog prohibited areas were added

3 Dog Exercise and Leash Control

There are currently areas where dogs are required to be leashed and areas where they may free run. Council does not provide specific dog exercise areas. Again, the majority of dog owners are responsible and considerate.

4 Dog Aggression

A focus is on encouraging dog owners to understand the true nature of dogs, to recognise the potential that all dogs have and to comply with their obligations under the Dog Control legislation, in particular Section 5(f) –

to take all reasonable steps to ensure that the dog does not injure, endanger, intimidate, or otherwise cause distress to any person.

All complaints of aggression reported to Council are given priority and are thoroughly investigated. Action ranges from written warning, infringements, dangerous dog classification or prosecution.
