

MAYOR'S OFFICE

Mayor's Message – 6 April 2020

Kia ora whanau,

I hope you are staying safe and well in your bubbles.

I'm calling on all of our nannas and poppas, kuia and kaumatua, grandmas and granddads, mums and dads, to talk to our young people about how important physical distancing is.

We had zero new cases yesterday and we need to keep that up. We are not at the end of this yet but we are nearly half way through.

Please ask our young people to help us protect all of our community, including their family - they need to stay home. We've got this everyone!

We are all in this together.

Let's Stay Safe, Stay Well.

Today's Focus:

I would like to do an enormous shout out to Ngati Kahungunu Iwi, Tihei Mauriora and all the team at Takitimu Seafoods. They have managed to catch, fillet and pack up approximately 1.2 tonne of filleted fish and about 160kg of whole fish, and yes we included in the Heads and Frames as well.

This is being distributed to whanau in all parts of our district to help provide nourishing kai to our community during these restrictions.
