ChemCollect.

If it can't wait for the HazMobile Collection

- ✚ Only biodegradable detergents should be allowed to soak into the ground.

- ✚ For any unwanted products - mix an absorbent material (e.g. kitty litter, sand or sawdust) into the original container.
- ✚ Tightly seal and place into a plastic bag for disposal with general rubbish.

- ✚ Recycle paint at one of our local Paint Recyclers such as Resene PaintWise
- ✚ Allow used brush cleaners to evaporate, or use as a weed killer.
- ✚ Wash out paint brushes in a sink or gully trap.
- ✚ Allow unwanted latex and water based paint to dry then dispose with normal household rubbish.
