

PUBLIC NOTICE

Partially operative Hastings District Plan- Plan Change 2 to become operative

At its meeting on Tuesday 8th December 2020 the council resolved to approve the following change to the partially operative Hastings District Plan following the completion of the statutory processes:

Plan Change 2 –Engineering Code of Practice Referencing

Plan Change 2 introduces changes to a number of sections of the Hastings District Plan to ensure that the district plan references the newly amended version of the Engineering Code of Practice and the new roading hierarchy based on the New Zealand Transport Agency's One Network Road Classification hierarchy.

The operative date is Saturday 19th December 2020

The updated district plan and background information may be viewed at the following;
