

Public Notice

## **Plan Change 6 Subdivision Pathway for Category 3 Buy-out Landowners**

**under the Severe Weather Emergency Recovery (Resource Management –  
Streamlined Planning Process) Order 2023**

Hastings District Council gives notice that it has received approval from the Minister for the Environment for the following proposal to change the Operative District Plan under the Severe Weather Emergency Recovery (Resource Management – Streamlined Planning Process) Order in Council 2023:

### *Plan Change 6 Category 3 Landowner Subdivision Provisions*

In accordance with the requirements of Clause 20 of Schedule 1 of the Resource Management 1991, notice is hereby given that Plan Change 6 to the Operative District Plan is approved by the Minister for the Environment under Clause 84 (1)(a)(i) of Schedule 1 of the RMA and that it will be operative from 28<sup>th</sup> September 2024.

The Plan Change as approved by the Minister can be viewed electronically any time at <https://www.hastingsdc.govt.nz/services/district-plan/changes/>
